NOTIFICATION OF CONTINUING FAILURE TO COMPLY WITH BPAI ORDER

## REMARKS

Page 2 line 12 through page 3 line 4 in the November 29, 2007 Order returning undocketed appeal to the examiner stated that:

Accordingly, it is

ORDERED that the application is returned to the Examiner:

(1) to consider the PTO-1449 form received March 6, 2001;

(2) to acknowledge and properly respond to the Petition received September 23, 1999; have response made of record, and a copy mailed to Appellants;

(3) to acknowledge and properly respond to the Terminal Disclaimer received September 16, 2005; have response made of record, and a copy mailed to Appellants;

(4) to instruct Appellants to file a Paper adding the abovementioned reference to the evidence Appendix; and

(5) for such further action as may be appropriate.

Item (4) is moot in view of the CAPJs DECISION ON PETITIONS dated 7/22/2008.

To date, items 1-3 in the November 29, 2007 order have not been acted on.

This appeal was originally filed March 14, 2003 and it would apparently be futile, and certainly would unreasonably delay a decision on the merits, to again remand the case to the examiner. Such action is shown to be futile and the applicant wants finality on the issues appealed.

Given the dismal speed of action in this application, it makes no sense to again remand the file with yet another instruction to the examiner to consider the PTO-1449 form received March 6, 2001.

Given the dismal speed of action in this application, it makes no sense to again remand the file with yet another instruction to the examiner to consider the petition to make special, filed September 23, 1999.

Given the dismal speed of action in this application, it makes no sense to again remand the file with yet another instruction to the examiner to act on the Terminal Disclaimer, filed September 16, 2005.

Instead, the undersigned requests the CAPJ order a rapid decision on the merits of this appeal, and upon issuance of a decision on the merits, issue an Order again ordering the examiner to act on items 1-3.
